

SENATOR HIGGINS: I guess they didn't believe me when I said I would read it because one of them said, did you really read that bill. I said, yes, I did. Obviously not everybody here did. So, do as you've been told or do with the bill as you please. Obviously Senator Warner has been here many years longer than I have. I know he has the respect of many of the senators. Rarely is he questioned. Certainly, I trust Senator Warner's integrity. I've never questioned him. Senator Barrett is an insurance agent. I've never questioned his integrity. I think Bill is an honest man. I don't know if he read all 37 pages of the bill, like I did. Maybe he did. I'm just saying there is more to it than meets the eye. But I do have a question about why...and I think I shall ask Senator Barrett, why we have put, in Section 8 and then repeated again in Section...how could that be, Section 8, no, it must be Section 4, part 8, and then again in Section 5, why we have then added to those who shall not be members or shall not be a part of the Guaranty Association Act? Page 7 and then...

SENATOR BARRETT: Okay, that was the amendment, Senator Pirsch, apparently. On assessment association, operating under Chapter 44, which insurer only insures only policies or contracts subject to assessment. Oh, this would be the assessment companies, the fraternal type policies, I would presume.

SENATOR PIRSCH: Well, there is quite a list, it's a nonprofit hospital or medical service it is health
